STOMACH LIVER LUNGS

Each of the chief organs of the body is a link in the Chain of Life. A chain is so strong as the weakest link, the body no stronger than its weakest organ. If there is weakness of stomach, liver or lungs, there is a weak link in the chain of life which may snap at any time. Often this so-called "weakness" is caused by lack of nutrition, the result of weakness or disease of the stomach and other organs of digestion and nutrition. Diseases and weaknesses of the stomach and its allied organs are cured by the use of Dr. Pierce's Golden Medical Discovery. When the weak or diseased stomach is cured, diseases of other organs which seem remote from the stomach but which have their origin in a diseased condition of the stomach and other organs of digestion and nutrition, are cured also.

The strong man has a strong stomach.
Take the above recommended "Discovery" and you may have a strong stomach and a strong body.

GIVEN AWAY.—Dr. Pierce's Common Sense Medical Adviser, new revised Edition, is sent free on receipt of stamps to pay expense of mailing only. Send 21 one-cent stamps for the book in paper covers, or 31 stamps for the cloth-bound volume. Address Dr. R. V. Pierce, Buffalo, N. Y.

BOLD ROBBERY

The Toughest Gang in Town Do a Hold-Up Stunt in Wall Street Yesterday

One of the boldest touches ever made in this city is said to have taken place yesterday afternoon between 4 and 5 o'clock in Wall street, when, it is alleged by reliable parties, that Sam Peterson and Hogan Gilbert robbed John Jones, the Aberdeen Mall Carrier, in broad daylight and in full view of a number of people.

Peterson and Gilbert did the work, while Dick Davis, a notorious character, acted the part of stool pigeon, on lookout.

These men have been arrested time and again by the Police for robbery and other grave offenses, and it is no fault of the Police that they have not been punished as their crimes richly deserved. So far they have escaped just deserts, and now that they are again in the toils of the law it is to be hoped that they will get what is justly coming to them.

They are a dangerous band and the sooner the general public take cognizance of the fact that unless the hands of the Police and Police Judge are upheld in stamping out this nest of evil-doers crime will continue to flourish in our midst.

These fellows are adepts in Criminal Court matters and with manufactured testimony and astutish witnesses and weak Jurymen they manage to escape the Pen.

Spices That Spice

Spices are such an important item that all grocers and many druggists buy them without knowing anything about their grade and flavor; but this is a store that gives strict attention to the little things, and we are as careful in buying spices as we are in buying drugs. The result is that we can guarantee the flavor and purity of every spice we carry.

As with every other item of drugs, we sell them at the lowest prices that this quality may be had for.

It is extravagance to pay more because it is unnecessary.

It is extravagance to pay less, for you cannot get fine spices for less.

Boy wanted to learn the drug business. Apply at Chenoweth's Drugstore.

Miss Stewart is well known to the readers of the theatrical journals, and these are looking forward to a rare treat. SUMMER-DIARRHEA CURE FREE

There are few troubles about which the sufferer is given more bad advice than summer diarrhea, or "running off of the bowels." Your friends will probably tell you to take Jamaica ginger, a mixture of laudanum or some other astringent remedy. These are the very things you should not take. Summer diarrhea is caused by catching cold in the stomach or bowels or because of some unfit food or water that you took. These were germ-laden, and the germs got into the bowels and irritated them. The thing to do is to take a reliable antiseptic laxative like **DR. CALDWELL'S SYRUP PEPSIN**, which will promptly remove the germs and tone and strengthen the stomach and bowels and thus give them a new start. Young and old can use it with equal effect. Thousands of American families keep it constantly in the house for just such digestive troubles as summer complaint, indigestion, biliousness, constipation, sick headache, and especially for the digestive ailments of babies and children. No baby will refuse **DR. CALDWELL'S SYRUP PEPSIN** as it is very pleasant to take, and, unlike salts and purgative waters, tablets and pills, it acts naturally and does not gripe. A bottle can be bought at any drug store for 50 cents or \$1.00, and one bottle is sufficient to keep an entire family in good health for a long time.

Deafness Cannot be Cured
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circular free.

COZY HOMES

OF YOUR OWN.

When you stop to think of the many pleasant gatherings you can have in a home of your own, can't you see the time you are waiting in a boarding-house, where nothing is or can be just as you want it? Half the joy of living is in associating with your friends—going to their homes and having them come to yours. What can you do in this way if you occupy a stuffy room in a boarding-house? How can you entertain your friends as they entertain you? Besides, it is so easy to

GET THE LITTLE HOME ACCORDING TO OUR PLAN

that you have absolutely no valid excuse for not having one. You can't consistently postpone your wedding from month to month and use as your excuse that you can't afford to give your sweetheart a home. That's all nonsense. You can give her a home tomorrow, and it won't embarrass you a bit financially. You can give her a home on the salary you are earning today. If you really want the girl, and want the home, there is nothing that stands in your way. We can tell you of a number of homes that we have created for young people, and they are as happy as they can be. Come in and let us tell you all about it and show you the cozy little homes we can make from \$75 upwards.

NATURE SPARES

The Stricken Rose From Grief.

What a fortunate provision of nature it is, that deprives the rose of mental suffering; for how poignant would be its grief to discover, in the height of its blooming glory, that a canker fed at its heart, and that its beauty and fragrance were doomed forever. Nature always spares the suffering; she is a veritable store-house of pleasing rewards, for those who seek her aid. In the years gone by falling hair and grayness have cast a gloom over the lives of thousands of young women, but thanks to the investigations of scientists the true cause of hair destruction is now known to be a germ or parasite that burrows into the hair follicles. Newbro's Herpicide absolutely destroys this germ, thus permitting the hair to grow as nature intended. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

MAKES RAPID HEADWAY

Add This Fact to Your Store of Knowledge.

Kidney disease advances so rapidly that many a person is firmly in its grasp before aware of its progress. Prompt attention should be given the slightest symptom of kidney disorder. If there is a dull pain in the back, headaches, dizzy spells or a tired, worn-out feeling, or if the urine is dark, foul-smelling, irregular and attended with pain, procure a good kidney remedy at once.

Your townspeople recommend Doan's Kidney Pills. Read the statement of this Maysville citizen.

Mrs. Eimer Bridges, 206 West Third street, Maysville, Ky., says:

"I consider Doan's Kidney Pills an excellent kidney remedy and one that deserves a trial by anyone afflicted with disordered kidneys. I was subject to attacks of kidney complaint from childhood, and as I grew older the trouble became more severe. In my efforts to find relief I used remedy after remedy, but obtained no benefit until I began using Doan's Kidney Pills, procured at J. J. Wood & Son's Drugstore. They proved to be just what I needed, going directly to the seat of my trouble and entirely relieving me. I always keep a supply of Doan's Kidney Pills on hand in case I have a return of the trouble."

YES!

IT DOES MATTER
Where You Buy
Clothes!

To conduct the BEST clothing store wouldn't be very greatly worth while unless it DID make a difference to you—to every man—WHERE clothes were bought. For, you see, there are a lot of careless men in the world who undervalue the importance of correct models and materials in clothes—and there are a lot of clothes made for that kind of men. None of them are sold here—not over.

The jewel is an artistic combination in gold of the emblems of the Order and the recipient's monogram, and is studded with diamonds, rubies and sapphires.
